For the purpose of this Memorandum of Agreement, words, phrases and terms used herein shall be deemed to have the meanings specified in Section 2 – Definitions of Resolution No. 39367 of the Council of the City of San Jose and in Part 2 – Definitions of Chapter 3.04 of Title III, of the San Jose Municipal Code unless it is apparent from the context or from the specific language that a different meaning is intended.

## **ARTICLE 1 RECOGNITION**

- 1.1 Pursuant to Resolution No. 39367 of the City Council of the City of San Jose and the provisions of applicable state law, the Confidential Employees' Organization, Local 101, AFSCME, AFL-CIO, hereinafter referred to as the Employee Organization is recognized as the exclusive representative for the purpose of meeting and conferring on matters within the scope of representation for employees assigned to the classifications listed in Exhibit I attached and incorporated by reference into this Agreement. The classifications listed in Exhibit I and subsequent additions thereto or deletions therefrom shall constitute an appropriate unit.
- 1.2 The City agrees to meet and confer with the Employee Organization prior to contracting out work currently performed by bargaining unit members whenever such contracting out would result in material reduction of work done by bargaining unit members or would have significant adverse impact on bargaining unit work. It is agreed that position reductions which result in lay-off of employees in the bargaining unit constitute significant impact on bargaining unit work.

## **ARTICLE 2 PURPOSE**

The parties agree that the purpose of this Memorandum of Agreement is: To promote and provide harmonious relations, cooperation and understanding between the City and the employees covered herein; to provide an orderly and equitable means of resolving differences which may arise under this Agreement, and to set forth the full agreements of the parties reached as a result of meeting and conferring in good faith regarding matters within the scope of representation for employees represented by the Confidential Employees' Organization, AFSCME, Local 101, AFL-CIO.

## **ARTICLE 3 PERIOD OF MEMORANDUM OF AGREEMENT**

- 3.1 This Agreement shall become effective September 21, 2008, except where otherwise provided, and shall remain in effect through September 17, 2011. No amendment or change to the provisions of this Agreement shall be valid or binding unless reduced to writing and signed by duly authorized representative(s) of the parties. Fifty (50) copies of this Agreement, as originally executed, shall be printed for the Employee Organization. The costs of such printing shall be shared equally by the parties, unless the printing of such Agreements are reproduced utilizing City facilities, in which case the City shall bear the cost of such printing. The City will provide email notification to all

CEO represented employees at the time a new successor Agreement is posted on the City's intranet.

- 3.2 It is the mutual desire of the parties to conclude the meet and confer process as early as possible prior to the expiration of this Agreement. Therefore, it is agreed that the Employee Organization shall exert every reasonable effort to submit any proposed changes or additions to this Agreement on or before August 1, 2011. The City agrees to begin the meet and confer process as soon thereafter as is reasonably possible.

#### **ARTICLE 4 FULL UNDERSTANDING, MODIFICATION AND WAIVER**

- 4.2 Existing benefits within the scope of representation provided by ordinance or resolution of the City Council or provided in the San Jose Municipal Code shall be continued without change during the term of this Agreement. Such existing benefits that are referenced in the Agreement shall be provided in accordance with the terms of the Agreement.
- 4.3 It is the intent of the parties that ordinances, resolutions, rules and regulations enacted pursuant to this Memorandum of Agreement be administered and observed in good faith.
- 4.4 Existing benefits within the scope of representation provided in the City Policy Manual and the Human Resources Benefits Handbook shall be continued without change during the term of this agreement, unless advance notice is given to the Union, pursuant to Article 37.
- 4.5 Although nothing in this Agreement shall preclude the parties from mutually agreeing to meet and confer on any subject within the scope of representation during the term of this Agreement, it is understood and agreed that neither party may require the other party to meet and confer on any subject matter covered herein or with respect to any other matter within the scope of representation during the term of this Agreement.
- 4.6 Notwithstanding Article 4.5 and Article 25, the City and the Organization have agreed to continue negotiations regarding retiree healthcare benefits. If no agreement is reached, the parties will follow the impasse procedures set forth in the City of San Jose's Employer-Employee Relations Resolution (#39367) and the Meyers-Milias-Brown Act. The parties understand that this means that, notwithstanding any other provision of this agreement, the City will have the right to unilaterally implement in the event that no agreement is reached at the conclusion of negotiations and mandatory impasse procedures.

## **ARTICLE 5 AUTHORIZED REPRESENTATIVES**

- 5.1 For purposes of administering the terms and provisions of the various ordinances, resolutions, rules and regulations adopted pursuant to this Memorandum of Agreement:
  - 5.1.1 Management's principal authorized agent shall be the Municipal Employee Relations Officer, or his/her duly authorized representative except where a particular Management representative is otherwise designated.
- 5.2 The Employee Organization's principal authorized agent shall be the President, or his/her duly authorized representative.

## **ARTICLE 6 HOURS OF WORK AND OVERTIME**

- 6.1 The workweek shall be seven (7) days commencing at 12:01 a.m. Sunday and ending at 12:00 Midnight the following Saturday.
- 6.2 The work day, for pay purposes, shall be a 24-hour period commencing with the beginning of the employee's regularly scheduled shift.
- 6.3 The normal work schedule shall be forty (40) hours consisting of five (5) consecutive days of eight (8) hours each, exclusive of a lunch period of at least thirty (30) minutes, Monday through Friday, except for those employees electing and approved for an alternate work schedule as defined in Article 32. The length of any lunch period is subject to supervisory approval.
  - 6.3.1 Employees required to perform duties as support personnel of uniformed classifications assigned a schedule of four (4) ten (10) hour shifts per work week may also be assigned a schedule of four (4) ten (10) hours shifts per workweek.
- 6.4 The work period for purposes of the Fair Labor Standards Act may be designated for each employee as appropriate so that there is no overtime built into the regularly scheduled workweek.
- 6.5 The City may establish a work schedule other than Monday through Friday where the interests of, or service to, the public requires. Employees assigned to a five (5) day eight (8) hour schedule or to a schedule including nine (9) hour days shall be given two (2) consecutive days off, and employees assigned to a four (4) day ten (10) hour shift shall be given three (3) consecutive days off, even though such days off are in different workweeks, except where, due to a change in the employee's work schedule, it is impossible to provide two (2) or three (3) consecutive days off, whichever is applicable. As an alternate to consecutive days off, an employee may work a schedule without consecutive days off when the schedule is mutually agreed upon between the Department and the employee. Such an agreement may be rescinded by the employee or the Department with reasonable notice, but not less than fourteen (14) calendar days, absent emergency, to the employee or Department.
- 6.6 The Department Director, subject to regulation and control by the City Manager, shall determine the number of hours of work per work day and work week for part-time employees. Such employees, however, shall not be required to work a normal work schedule except on an intermittent basis.

- 6.7 An employee who works a normal work schedule as defined by Article 6.3 and is authorized or required to work overtime who works in excess of forty (40) hours per work week, shall be compensated at the rate of time and one-half (1-1/2) the employee's hourly rate, except when such excess hours result from a change in such employee's work week or shift or from the requirement that such employee fulfill his/her workweek requirement.
- 6.7.1 Part-time employees are only eligible for overtime pay if the employee works over forty (40) hours in one (1) week.
- 6.8 An employee who is assigned or elects and is approved for an Alternative Work Schedule as defined by Article 32 and is authorized or required to work overtime in excess of forty (40) hours per the employee's designated work week, shall be compensated at the rate of time and one-half (1-1/2) the employee's hourly rate, except when such excess hours result from a change in such employee's workweek or shift or from the requirement that such employee fulfill his/her workweek requirement.
- 6.9 Overtime worked shall be compensated at the time and one-half (1-1/2) rate. An employee assigned to work overtime may elect to either be paid for such overtime or be credited with compensatory time off, except under the following circumstances:
- The employee's choice of compensatory time would interfere with a department's ability to recover the cost of overtime;
  - The employee's choice of compensatory time would interfere with the department's ability to have sufficient staffing or coverage;
  - The employee's choice of pay cannot be accommodated within the department's overtime budget;
  - If the work is being performed for another City department or outside agency, the employee's department may choose to compensate overtime with pay or compensatory time, provided the employee is notified of the method of payment prior to working the overtime; or
  - If the employee fails to request an election during the pay period in which the overtime is worked
    - If the employee is not allowed to make the election to be paid for overtime or to be credited with compensatory time under one of the circumstances cited above, the employee shall be informed of the reason for not being allowed such choice. The explanation shall be provided before the overtime is worked.
- 6.9.1 Once compensatory time off has been approved and scheduled, the employee shall be permitted to take such time off, unless emergency circumstances necessitate cancellation of the time off. In such event, the employee will remain credited with the time canceled.
- 6.9.2 Part-time employees who are assigned and work in excess of forty (40) hours per week shall be compensated at the time and one-half (1-1/2) rate. A part-time employee who is assigned and works in excess of forty (40) hours per week may

elect to either be paid for such overtime or credited with compensatory time off, except under the above listed circumstances.

However, at no time shall a part-time employee's compensatory time balance exceed forty (40) hours. Once an employee's compensatory time balance reaches forty (40) hours, employees shall be paid for all time assigned and worked in excess of forty (40) hours per week.

- 6.9.3 Notwithstanding any other provision of Section 6.9 to the contrary, the Director of a Department may announce the intent of the Department to pay employees the appropriate rate for accrued compensatory time that is not used as of a date specified by the department, with reasonable notice of no less than thirty (30) days provided to affected employees. This announced intent may apply to an entire department or to a specified section(s) of a department. An employee who is scheduled and approved to take compensatory time off may request an exemption to the payout. The request shall be made to the Department Director, or his/her designee, and his/her decision shall be final.
- 6.9.4 In the event the outstanding amount of accrued compensatory time owed to an employee exceeds 240 hours, the employee will automatically receive payment for any hours in excess of 240 hours.
- 6.10 Time spent on paid sick leave, disability leave, holiday leave, vacation leave, military leave, compensatory time off duty, or other authorized paid leave shall be deemed time worked for purposes of this Article.
- 6.11 An employee who is terminated by reason of resignation, discharge or retirement and who upon the effective date of such termination has accrued unused compensatory time shall be paid for such hours of unused compensatory time at the employee's straight time hourly rate. In the event the termination results from the death of the employee, the payment, if any, shall be made to the executor of the will or the administrator of the estate.
- 6.12 A fifteen (15) minute rest period will be provided in each half of the regularly scheduled work shift. Insofar as is possible, rest periods shall be scheduled in the middle of each half of the shift. It is understood and agreed that the inability to permit an employee to take a rest period shall not be a basis for any claim for overtime compensation.
- 6.12.1 Part-time employees will be provided a fifteen (15) minute rest period during each uninterrupted work period of at least four (4) hours.
- 6.13 Canceled Work
- If an employee is scheduled to work overtime on his/her day off and the work is canceled within twenty-four (24) hours of the scheduled overtime, the employee is entitled to two (2) hours compensation at the appropriate rate.
- 6.14 Telecommuting
- An employee authorized or required to telecommute, which requires at least fifteen minutes shall be compensated for the time worked to the nearest fifteen minutes at the appropriate rate.

An employee must receive approval from his/her supervisor in order to telecommute and be compensated as stated above.

7.3.1 Upon specific assignment by the Department Director, or his/her designated representative, with prior written approval, a full-time or part-time employee may be required to perform the duties of a full-time or benefited part-time position in a higher classification. Such assignments may be made to existing authorized positions that are not actively occupied due to the temporary absence of the regularly appointed employee or vacant positions. Assignments to a higher classification due to a vacancy shall not exceed six (6) months. Once an employee reaches the six (6) month maximum in a specific higher class assignment due to a vacancy, the employee shall not be eligible to serve in the same higher class assignment for at least six (6) months and shall return to his/her regular assignment.

7.3.1.1 By mutual agreement between the City and the Employee Organization, an employee assigned to work in a higher classification may be extended in his/her specific assignment past the aforementioned six (6) month limitation.

The employee shall not receive any compensation, however, unless the assignment is for a minimum of twenty-four (24) cumulative work hours within one (1) pay period and a minimum of four (4) consecutive work hours within one (1) day. In the event the assignment is for a minimum of twenty-four (24) cumulative work hours within one (1) pay period and a minimum of four (4) consecutive work hours within one (1) day, the employee shall be compensated at the appropriate rate for all the eligible hours worked in the higher class within the pay period.

Should a Steward be required to leave his/her assigned duties to investigate and/or process a grievance, he/she shall secure the permission of his/her immediate supervisor and inform the supervisor of the general nature of the grievance, and report back to the supervisor upon returning to his/her assigned duties. Permission for a Steward to leave his/her assigned duties shall not be unreasonably withheld. In the event it is necessary for a Steward to handle a grievance in a department other than the department to which he/she is regularly assigned, the Steward shall report to the immediate supervisor of the aggrieved employee, the employee involved in the grievance, or the function being investigated.

12.8.2.2 In the event the parties agree that a Steward or other representative of the Employee Organization is permitted to investigate and/or process a grievance other than as provided in 12.8.2.1 above, such

representative shall continue to investigate and/or process the grievance, even if the department or section of a department in which the grievance arose is subsequently assigned to another representative.

12.8.3 Although the grievances may be investigated and/or processed during normally scheduled working hours, the Employee Organization agrees that the time spent by its designated representatives shall be kept to a minimum and that no Employee Organization representative shall be entitled to any additional compensation or premium pay for any time spent in processing grievances outside such representative's regularly scheduled hours. The Employee Organization also agrees it will not process grievances during periods of overtime.

12.8.4 The Employee Organization agrees to properly notify the Municipal Employee Relations Officer of any changes of employees designated as Stewards.

12.8.5 The parties agree that they have a mutual interest in well-trained Stewards. Toward this end, certified Stewards shall be granted a maximum of eight (8) hours paid release time during each year of this agreement to participate in training sessions related to the provisions of this agreement, jointly conducted by Employee Organization and City representatives, according to an outline of such training activities to be submitted by the Employee Organization and approved by the City prior to the conduct of any such training sessions.

## 12.9 General Provisions

12.9.1 Any grievance not filed or appealed within the time limits specified shall be considered settled on the basis of the last disposition given. In the event the grievance is not answered within the time limits set forth herein, either the employee, except for appeals to Step IV, or the appropriate Employee Organization representative may appeal the grievance to the next higher step within the time limits provided.

12.9.2 The Employee Organization agrees that it will not initiate or pursue any other avenue of redress on any matter properly within the scope of representation until the provisions of this Article, including arbitration, have been utilized.

12.9.3 Working days as used in this Article shall be defined as the regularly scheduled working days of the employee or appropriate Employee Organization representative filing or appealing the grievance and the regularly scheduled working days of the appropriate representative of the City responsible for replying to the grievance.

12.9.4 If an employee desires to file a grievance involving separation from City employment pursuant to the application of Article 13, entitled Leaves of Absence, the employee shall file the grievance in writing at Step II within ten (10) calendar days following the date of separation.

12.9.5 Any of the time limits specified in Steps I through IV may be extended by written mutual agreement of the parties.

## 12.10 Department Labor Management Committees

### 12.10.1 Purpose:

To serve as an advisory committee to Management and to facilitate positive union-management relations. These collaborative efforts between labor and management have proven successful in the past and are encouraged when appropriate.

### 12.10.2 Structure:

A Labor Management Committee may be established in a department by mutual agreement. Management and labor each selects an equal number of committee representatives. By mutual consent of the parties the number of committee members may be modified. This forum will be conducted on a consensus basis. The Labor Management Committee will set up meetings on an ad hoc basis as determined by the parties. If all parties are in agreement, a joint department labor management committee may be established to include, or join with, other bargaining units.

### 12.10.3 Authority:

Training and guidelines will be provided by the Office of Employee Relations. The Labor Management Committee is not authorized to meet and confer to create contractual obligations nor to change the MOA to authorize any practice in conflict with existing contracts or rules. The Office of Employee Relations and CEO President or Business Agent will be involved in a Labor Management Committee meeting upon request. As appropriate the Labor Management Committee shall keep both parties informed of their discussions and any written material they generate. This process is not designed for individual grievances, disciplines, or to replace the Steward system.

## **ARTICLE 13 LEAVES OF ABSENCE**

13.1 All requests for leaves of absence without pay shall be made in writing. The appointing authority, or his/her designated representative, may grant an employee a leave of absence without pay for good and sufficient reason, not to exceed twelve (12) months. Such leaves may, however, be extended, not to exceed an additional six (6) months, upon written request of the employee, subject to approval of the appointing authority, or his/her designated representative. Written requests for an extension of a leave shall be submitted prior to the expiration of the leave.

13.1.1 Appointing authority may grant leaves of absence without pay for an employee to work on union business. Such leaves are subject to all of the provisions in the article.

13.2 Any leave granted pursuant to the provisions contained herein may be canceled by the appointing authority by notice in writing mailed to the employee at the employee's address on file in the Human Resources Department or such other address as the employee may designate. Such notice shall be by registered mail, return receipt requested and shall be mailed not later than thirty (30) days prior to the effective date of the cancellation of the leave. Failure of the employee to return to work on the first

scheduled work day after the effective date of the cancellation, or on the first scheduled work day following the expiration of a leave, shall be considered a voluntary resignation, unless the failure to return is due to extenuating circumstances beyond the control of the employee. Each employee who is granted a leave pursuant to the provisions of this Article shall, upon return from leave, be entitled to a position in the department within the classification held by the employee at the time the leave commenced.

- 13.3 If the position to which an employee would otherwise be entitled pursuant to the above has been deleted from the department's budget during the term of the employee's leave of absence, the employee shall, upon return from leave, be entitled to a position within the classification held by the employee at the time the leave commenced, provided there is either a vacancy in such classification or an employee in the classification with less seniority whose duties the returning employee is qualified to perform.
- 13.4 The employee is responsible for coordinating the return to work following a leave of absence. Prior to returning from a leave of absence, the employee shall contact the supervisor to ensure that all necessary documents have been completed and steps taken.
- 13.5 For purposes of this Article, seniority shall be defined in accordance with Subsection 14.4.1 of Article 14, entitled Layoff.
- 13.6 Any employee who is absent without notification to his/her Department Director, or other designated authority, for two (2) consecutive work shifts, shall be considered a voluntary resignation, unless the failure to report is due to extenuating circumstances beyond the control of the employee.
- 13.7 Employees who have been separated from City service for failure to return from leave, or failure to report, and whose failure is determined to be the result of extenuating circumstances beyond their control shall be reinstated.

## **ARTICLE 14 LAYOFF**

### **14.1 Order of Layoff**

When one (1) or more employees in the same class in a City department are to be laid off for lack of work, purposes of economy, curtailment of positions or other reason, the order of layoff shall be as follows:

14.1.1 Provisional employees in the order to be determined by the appointing authority.

14.1.2 Probationary employees in the order to be determined by the appointing authority.

14.1.3 Permanent employees in inverse order of seniority within the classification being reduced, or in a higher class.

14.1.4 Permanent employees shall be given every opportunity for transfer to other departments when layoff is pending.

## 14.2 Notice of Layoff

Employees subject to the provisions of this Article shall, wherever possible, be given at least thirty (30) calendar days notice in writing prior to the effective date of layoff. The appropriate Employee Organizations shall receive concurrent notice, and upon written request within seven (7) calendar days after the notice is given shall be afforded an opportunity to meet with the appropriate City representatives to discuss the circumstances necessitating the layoff and any proposed alternatives to such layoff.

## 14.3 Reassignment in Lieu of Layoff

In the event of layoff, any employee so affected may elect to:

14.3.1 Accept a position in a lateral or lower class in which he/she has previously served, or a position in a lateral or lower class within the series containing the class from which the employee is being laid off, provided he/she is otherwise qualified and is more senior than the least senior employee in such lateral or lower class.

14.3.2 Accept a vacant position in a lateral or lower class for which he/she has the necessary education, experience, and training as determined by the Director of Human Resources. An employee may also accept a vacant position in a higher class, provided he/she has held permanent status in such higher class, and further provided that the employee's removal from the higher class was voluntary and occurred during his/her most recent period of employment. Adverse decisions of the Director regarding necessary education, experience, and training shall be subject to the grievance procedure including arbitration. The employee may file the grievance at Step III within ten (10) working days of the date of being notified of the adverse decision.

14.3.3 Any employee entitled to an option noted above, which involves assignment to a lower classification, may elect to be placed on layoff in lieu of accepting such assignment to the lower class. In the event the employee elects to be placed on layoff, such employee will only be recalled to the classification from which the employee elected to be placed on layoff or to any higher classification to which the employee may be entitled pursuant to the provisions of this Article.

## 14.4 As used in this Article, the following words and phrases shall be defined as follows:

14.4.1 Except as otherwise provided above, seniority shall be defined as the length of continuous paid employment within any permanent class or classes within the classified service of the City. Seniority shall be retained, but shall not accrue, during any period of leave without pay, except for authorized military leave.

14.4.2 A lower class shall mean a class with a lower salary range.

14.4.3 A position in a lateral class shall mean a position in a class with the same salary range.

14.4.4 A position in a higher class shall mean a position in a class with a higher salary range.

- 14.5 Except as otherwise provided herein, no employee shall be entitled to a position in a higher class as a result of the application of the provisions of this Article.
- 14.6 Layoff Reinstatement Eligible List
- 14.6.1 The names of such persons who are laid off or who elect reassignment in lieu of layoff in accordance with the provisions of Section 14.3 of this Article shall be placed upon a Reinstatement Eligible List in inverse order of seniority, i.e., the person with the greatest seniority on the Reinstatement Eligible List for the classes affected shall be offered reinstatement when a vacancy exists in the affected class. In the event the person refuses the offer of reinstatement, such person's name shall be removed from the Reinstatement Eligible List, unless such person has reinstatement rights under the provisions of this Article to a higher class than the one in which the reinstatement is being refused.
- 14.6.2 In the event an employee accepts reinstatement to a lower class to which he/she is entitled, such person's name shall remain on the Reinstatement Eligible List for reinstatement to a lateral class, provided such person, except for lack of seniority, would have been otherwise entitled to such lateral class at the time of the most recent layoff.
- 14.6.3 Any person who is reinstated to a class which is the highest class to which he/she would have been entitled at the time of the layoff shall have his/her name removed from the Reinstatement Eligible List.
- 14.6.4 In the event a person on layoff cannot be contacted by the City through usual and customary channels within ten (10) working days, such person's name shall be removed from the Reinstatement Eligible List, providing, however, that such person within the three (3) year period specified herein may request that his/her name be replaced on the Reinstatement Eligible List and such person's name may, in the sole discretion of the Director, be returned to the Reinstatement Eligible List.
- 14.6.5 In no event shall the names of any person laid off pursuant to the provisions of this Article remain on a Reinstatement Eligible List for a period longer than three (3) years from the effective date of such person's most recent layoff.
- 14.7 Upon reinstatement to any classification to which the employee is entitled pursuant to the provisions of this Article, all benefits acquired by the employee prior to his/her layoff shall also be reinstated. An employee shall not receive credit for time spent on layoff in computing time for any benefit entitlement.

## **ARTICLE 15 BULLETIN BOARDS**

- 15.1 Recognized employee organizations may use designated portions of City bulletin boards in departments which have employees in the representation units for which the Employee Organization is recognized.
- 15.2 Subject to the provisions contained herein, the following types of Employee Organization notices and announcements listed below may be posted on the bulletin boards:

- 15.2.1 Meetings, elections, welfare, recreational and social affairs and such other notices as may be mutually agreed upon between the Employee Organization and the Municipal Employee Relations Officer.
- 15.3 All material shall identify the Employee Organization responsible for its posting. Copies of all material to be posted must be filed with the Municipal Employee Relations Officer who shall have the sole and exclusive right to order the removal of any objectionable material.
- 15.4 The Municipal Employee Relations Officer shall notify the Employee Organization of any material ordered removed. The Employee Organization shall be given the opportunity to revise the material to delete the objectionable section or sections.
- 15.5 The City reserves the right to determine where the bulletin boards shall be placed and what portion of such bulletin boards are to be allocated to employee organizations.
- 15.6 Failure of the Employee Organization to abide by the provisions of this Article shall result in the forfeiture of the Employee Organization's right to have materials posted on City bulletin boards. The City agrees it will not exercise its rights provided herein in an arbitrary and capricious manner.

## **ARTICLE 16 HOLIDAYS**

- 16.1 Except as hereinafter otherwise provided, each full-time employee shall be entitled to paid holiday leave on each of the following holidays as observed, and on no other day, during the term of this Agreement:
- |                        |                        |

- 16.1.2 When one of the above holidays falls on a Sunday, the following day shall be designated as the holiday; and when one of the above holidays falls on a Saturday, the preceding day shall be designated as the holiday.
- 16.1.3 Any other day proclaimed or designated by the Council of the City of San Jose as a holiday for which full-time employees will be entitled to holiday leave. Should additional holidays be provided, or should an existing holiday be traded for a different holiday observance for other represented employees on a Citywide basis, such holidays shall apply to employees in this unit.
- 16.2 Except as otherwise provided, no such full-time employee shall be required to work on any of said holidays; provided, however, that subject to regulation and control by the City Manager, the head of any department of the City government may specify the days of the week and the hours of such days when any such employee in his/her department or under his/her jurisdiction shall be required to work, and may require any such employee to work on any or all of said holidays. Each full-time employee who is required to work on any of said holidays shall receive the salary that he/she would be entitled to for that

day at his/her regular rate of pay, and in addition thereto, he shall receive compensatory time off duty equal to one and one-half (1-1/2) times the number of hours which he/she works on said holiday.

- 16.3 Said compensatory time off duty shall be credited to such employee in accordance with Article 6 of this Agreement; provided, however, that upon written request by the employee to the Department Director, within not more than thirty (30) calendar days after the holiday when such compensatory time was earned, such employee shall receive and be given, in addition to his/her regular pay for such holiday and in lieu of such compensatory time off, such additional compensation as shall equal the number of hours of compensatory time credited to him/her multiplied by the employee's equivalent hourly rate.
- 16.4 If any of said holidays falls on a full-time employee's regular day off, during which he/she is not required to work, such employee shall be entitled to eight (8) hours of compensatory time off duty for full day holidays. Said compensatory time off duty shall be credited to such employee in accordance with Article 6 provided, however, that upon written request by the employee to the Department Director or designee, within not more than thirty (30) calendar days after the holiday when such compensatory time was earned, such employee shall receive and be given, in lieu of such compensatory time off, such additional compensation as shall equal the number of hours of compensatory time credited to him/her multiplied by the employee's equivalent hourly rate.
- 16.5 The compensation above provided to any employee who may be required to work on any or all of said holidays shall be inclusive of any overtime compensation or other benefits to which such employee may be entitled under the provisions of any other ordinance or resolution of the City of San Jose, or other applicable law, and not in addition thereto.
- 16.6 Holiday Closure. The City Manager may determine that all non-essential City operations close for a Holiday Closure during the Christmas and New Year holidays. In such event, employees shall be encouraged to take time off, however, it shall not be a requirement.

Employees electing to take time off may choose to take vacation, compensatory time, personal leave or unpaid leave during the closure period. Employees who take unpaid leave during the closure shall continue to receive the following accruals: vacation, sick leave, city-wide and department seniority.

## **ARTICLE 17 VACATION AND PERSONAL LEAVE**

- 17.1 Each eligible full-time employee shall be granted vacation leave with pay in accordance with the following:

- 17.1.1 An employee shall accrue vacation leave at a rate specified below for each hour worked, in each year of employment as specified:

<u>Years of Service</u>	<u>Hours of Vacation per 26 Pay Period Cycle</u>
First 5 years	80 hours
6th year – 10th year	120 hours
11th year – 12th year	136 hours

13th year – 14th year	152 hours
15th year or more	168 hours

Employees' accrual rate will change on the first pay period of the payroll calendar year in which they reach the designated years of service.

#### 17.1.2 Vacation Accrual Limits

Employees shall not be allowed to accrue vacation in excess of two times their annual vacation accrual rate. Once the maximum accumulation has occurred, vacation will cease to accrue until the employee's vacation balance has fallen under their maximum vacation accrual amount. Each employee's current vacation balance is shown on the employee's pay check stub and it is the responsibility of the employee to track for compliance with this provision.

#### 17.1.3 Payment for Unused Accrued Vacation Leave upon Termination of Employment

If the employment by the City of any full-time employee should cease, he/she shall be given, at the time of such termination, full pay for any vacation leave which he/she may then have accrued and not used.

### 17.2 Vacation Leave

Use of accrued vacation or personal leave is subject to the advance approval of the Department Director or designee. Any and all leaves granted pursuant to this Article shall be granted at such time or times as will not reduce the number of employees below that which is reasonably necessary for the efficient conduct of the public business of such department, except no employee who is authorized to take a leave for vacation purposes shall be required to commence such leave at a time other than the beginning of a work week, unless he/she elects or consents to commence such leave at another and different time. Subject to the above provisions, preference of vacation leave timing in any calendar year shall be determined by the relative length of time served by each employee in the classification in which he/she is employed in a department of the City Government and by the length of time during which such employee has worked on any shift, if more than one shift is worked by employee in such classification. Employees shall submit written requests for all vacation leave in advance and as early as practical. Written response to the leave request will be provided back to the employee within ten working days of the receipt of the written requests. Nothing in this section shall interfere with an established vacation scheduling procedure.

### 17.4 Computation of Vacation Leave

For purposes of accruing vacation, paid leave of absence from duty by reason of sick leave, holiday leave, vacation leave, disability leave, compensatory time-off, or any other paid leave, shall be deemed to be "time worked." Prior periods of employment shall be credited to the employee for purposes of determining vacation eligibility, provided that during each such prior employment period, the employee achieved permanent status.

### 17.5 Personal Leave

Effective the first pay period of each payroll year, each full time employee shall be entitled to a total of twenty-four (24) hours per payroll calendar year. Such leave may be scheduled in fifteen (15) minute increments, at any time, subject to approval of the

supervisor. Personal Leave is not accrued. Any such leave not taken by the date of termination for employees terminating during the year, or by the end of the last pay period in the calendar year for other employees, shall not be paid out nor carried over to subsequent years.

17.5.1 Employees hired on or after July 1<sup>st</sup> shall be entitled to only twelve (12) hours in the payroll calendar year in which they were hired.

17.5.2 Each benefited part-time employee shall be entitled to annual personal leave of twelve (12) hours per year except that in the first payroll calendar year of employment, employees hired before July 1<sup>st</sup> will get twelve (12) hours of annual personal leave and employees hired on or after July 1<sup>st</sup> will get six (6) hours of annual personal leave.

## **ARTICLE 18 SICK LEAVE**

18.1 Each full-time employee shall be entitled to sick leave with pay in accordance with the following provisions:

18.1.1 Sick leave shall accrue in an amount equal to the number of hours worked, excluding overtime, multiplied by a factor of 0.04616. Paid leave for holidays, vacation, disability, compensatory time off, or other paid leave shall be considered time worked for purposes of this section.

18.1.2 Accrued sick leave may be utilized if the employee is required to be absent from work on account of non-job related illness or injury; routine medical or dental appointments, or for the care related to the illness or injury of the employee's child, mother, father, spouse or domestic partner registered with the Department of Human Resources.

Up to a total of forty-eight (48) hours of accrued sick leave per calendar year may be utilized if the employee is required to be absent for the care related to the illness or injury of the employee's grandchild, brother, sister, father-in-law, mother-in-law, stepfather, stepmother or stepchild.

18.1.2.1 Accrued sick leave may also be utilized for job-related illness or injury in accordance with the provisions of Article 19 Disability Leave, or if the employee is medically required to be absent from work between the date an examining physician determines the employee's condition to be "permanent and stationary" and the date the employee is so notified. Such accrued sick leave may not be utilized if the employee is otherwise entitled to temporary disability leave compensation for the above-referenced period of time. Accrued sick leave not to exceed three (3) working days may be granted at the discretion of the Director of Human Resources or designated representative, following the notification referred to above. Telephone notice or a notice mailed to the employee's last known address of record shall be determined notice to the employee.

18.1.2.2 Accrued sick leave not to exceed three (3) working days may be granted in circumstances where an alleged job-related illness or injury

is involved, but the employee fails to provide medical verification of such job-related illness or injury.

18.1.2.3 Anything in this Article to the contrary notwithstanding, an employee who, pursuant to the provisions of Article 19 of this Agreement, has been receiving temporary disability leave compensation and who has received the maximum allowable amount of such compensation pursuant to Article 19, and who is entitled to Workers' Compensation temporary disability benefits, shall be permitted to utilize accrued sick leave subject to the following restrictions: Sick Leave shall be utilized in fifteen minute increments, but in no event shall an employee receive an amount, including any Workers' Compensation temporary disability compensation, in excess of such employee's regular base pay.

18.1.2.4 Accrued sick leave also may be used in accordance with Article 30, Catastrophic Illness.

18.1.3 Except as otherwise provided by resolution of the City Council, paid sick leave shall not be allowed for any absence from work occasioned by intoxication, chronic alcoholism or use of narcotics not prescribed by a licensed physician.

If approved by the City, an employee who is enrolled and participating in a substance abuse treatment program may use sick leave for absences resulting from participation in such program. The City may require appropriate verification.

18.1.4 No employee shall be entitled to or be granted sick leave, either with or without pay, unless he or she, or someone on his or her behalf notifies his or her immediate superior or Department Director, or the Director of Human Resources, of his or her intent to take such sick leave due to a personal or family illness prior to the commencement of the sick leave where such notice is possible; provided, however, that the City Manager may waive the requirement of such notice upon presentation of a reasonable excuse by such employee.

18.1.5 Any time an employee is required to report to work and is unable to report due to illness or injury, an employee may be required to furnish medical verification or other substantiation for any such absences. An employee shall be given reasonable notice by his/her supervisor or designee if medical verification is required. If there is a dispute as to the definition of "reasonable notice," this shall solely be determined by the Director of the Office of Employee Relations or designee and is not subject to the grievance procedures of this Agreement.

18.1.6 A full-time employee of the City shall be entitled to sick leave without any pay if required to be absent from work on account of any non-job related illness, injury or disability, including absences of female employees related to pregnancy or childbirth in all situations where such employee is not entitled to sick leave with pay. Any full-time employee who is unable to return to work after being absent on paid and/or unpaid sick leave for a maximum of eighteen (18) consecutive months or for eighteen (18) cumulative months in any period of twenty-four (24) consecutive months shall be separated from City service. Notwithstanding the foregoing, in no event shall an employee be entitled to a leave of absence without pay for a period in excess of twelve (12) cumulative months or for twelve

(12) consecutive months in any period of twenty-four (24) consecutive months and shall be separated from City service.

- 18.1.6.1 Pursuant to Article 13, an employee who is not otherwise entitled to any additional unpaid sick leave may request a leave of absence without pay, subject to approval of the appointing authority or designee.

## 18.2 Sick Leave Payoff

### 18.2.4 Death of Terminated Employee:

18.3 Payout shall be determined as follows:

18.3.1 If a full-time or eligible part-time employee at the time of his/her retirement or death has earned, unused sick leave hours, he/she shall be paid the equivalent of a specified percent of his/her hourly rate of pay at the time of retirement, termination or death, whichever comes first, multiplied by the total number of his/her accumulated and unused hours of sick leave as of the date of his/her retirement or death.

18.3.2 Less than 400 hours: Hours accumulated x 50% of final hourly rate  
or 400 - 799 hours: Hours accumulated x 60% of final hourly rate  
or 800 - 1200 hours: Hours accumulated x 75% of final hourly rate.

Previously accumulated sick leave shall be credited to the employee for use during an employee's current employment period.

## **ARTICLE 19 DISABILITY LEAVE**

19.1 Disability Leave Supplement

Disability Leave Supplement (DLS) is the benefit provided pursuant to this Article, which, when added to Worker's Compensation Temporary Disability (WCTD) results in providing employees 85% of their regular base salary.

19.2 Eligibility for Disability Leave Supplement

A full-time employee who is required to be absent from work due to a job-related injury or industrial illness and who receives WCTD payments pursuant to Division I or Division 4 of the California Labor Code is eligible for DLS, excluding ineligible causes listed in section 19.4. In the event an employee is not eligible for WCTD payments because of the statutory waiting period, DLS shall not be paid for such a waiting period. The employee may use sick leave to cover the waiting period.

19.2.1 After the initial three (3)-day waiting period has been met, and the employee otherwise qualifies for DLS, the employee may utilize DLS for absences required for medical visits related to the injury after his/her return to work if he/she is unable to schedule such visits on non-work hours. DLS for such intermittent

absences is subject to authorization by the Worker's Compensation Section. In no event may DLS exceed the limit specified in 19.6.

### 19.3 Eligibility for Disability Leave Supplement Linked to Temporary Disability

If the Worker's Compensation Appeals Board of the State of California or any judicial court should determine that the employee is not entitled to Temporary Disability (WCTD) compensation, the employee shall not be entitled to Disability Leave Supplement (DLS) benefits. Under such circumstances, any DLS moneys paid to the employee by the City must be returned to the City within one year.

### 19.4 Ineligible Causes for Disability Leave

An employee shall not be eligible for disability leave, and shall not receive DLS if the injury or illness that causes the absence results from:

- 1) an act of gross negligence of such employee
- 2) any work voluntarily undertaken by employee from which he has been prohibited from engaging in as determined by a City physician, prior to the date of injury.

### 19.5 Ineligibility if Offer and Decline of Modified Duty

DLS shall not be provided if the City offers the employee employment at identical or similar salary, within the employee's medical limitations, and the employee refuses or fails to accept duty for which he or she is physically qualified.

### 19.6 Maximum Term of Disability Leave Supplement

The employee will receive DLS benefits equal to the amount of money which, when added to the WCTD equals 85% of what the employee would have earned at the position from which he or she is disabled for one of the following time periods, whichever is shortest:

## **ARTICLE 26 ANNUAL PERFORMANCE EVALUATION**

26.1 The purpose of the annual performance evaluation is to have formal communication between supervisor and employee regarding job performance.

26.2 In the event that an employee's performance appears to need improvement, the supervisor should immediately acknowledge the problems in informal or documented oral counseling sessions. Counseling should be separate from normal work site dialogue and should occur as close in time to the event or problem as possible. It is not in either the City's or the employee's interest to have the feedback delayed until the time of the annual performance evaluation.

26.3 Documentation of oral counseling should be given to the employee at the time of the counseling and will not be placed in the employee's official department or City personnel file. This documentation will include specific suggestions for corrective action, if appropriate.

26.4 Key Element Review. If the employee formally receives an overall performance rating of meets standard, but receives a below meets standard in an individual key element rating, the employee may request a review of that individual key element by the Department Director or designee. The employee must submit a written request to the Director or designee specifying the reasons for such request, within thirty (30) calendar days from the date the employee received the final performance appraisal. The Director or designee shall look into the request and provide a written response to the employee within thirty (30) calendar days of receipt. The written response of the Director or designee shall be final and binding.

26.5 Overall Rating Appeal. If the employee formally receives an overall performance rating that is below "meets standard," the employee may appeal the rating. Such appeal shall be made to the Department Director or designee within thirty (30) calendar days from the

date the employee receives the final performance appraisal. If the employee is dissatisfied with the decision of the Department Director or designee, he/she may, within thirty (30) calendar days from the Department Director's or designee's response, request a hearing with the City Manager or designated representative. Such request shall be in writing and shall include the reason(s) the employee is not satisfied with the decision previously rendered.

26.5.1 The City Manager or designated representative shall hold a hearing within a reasonable time, and within ten (10) work days of the hearing shall inform the employee of the decision. The decision of the City Manager shall be final. This will be the only appeal process applicable to review a performance appraisal. The employee shall have the right to Employee Organization representation at the hearing with the Department Director or the City Manager.

26.5.2 If the employee formally receives an overall performance rating that is at or above "meets standards" and is not satisfied with the appraisal, the employee may write a rebuttal within thirty (30) calendar days from the date the employee receives the final performance appraisal. The rebuttal, along with the performance appraisal, will be included in the employee's personnel file. The rebuttal may be in response to the entire appraisal or any particular section(s). If the employee indicates to the supervisor an intent to appeal or rebut the evaluation, the employee may request and receive a copy of the evaluation.

26.6 The right of appeal shall not apply to probationary performance ratings.

26.7 All employees represented by the Employee Organization shall be evaluated using the standard performance evaluation form as designated by Human Resources and the Office of Employee Relations. Any changes to the performance evaluation form shall be provided in advance to the Employee Organization pursuant to Article 37 of this agreement.

The levels of discipline include informal actions, which are oral counseling, documented oral counseling and written reprimand. Formal disciplinary actions are suspension, salary step reduction, demotion and dismissal.

27.2 When an employee is being interviewed and the employee reasonably believes that the investigative interview is likely to result in disciplinary action, the employee has the right to request to have a union representative present during the investigative interview.

27.3 Step Reduction. The San Jose Municipal Code defines disciplinary action as dismissal, demotion and suspension. In addition, the appointing authority may reduce an employee's salary step. The salary may be reduced to no lower than step one of the five-step salary range, and the amount and length of time of the salary reduction will be specified in the Notice of Intended Discipline. The salary may be reduced either for a specified period of time or until the condition which caused the salary reduction has been

corrected. The employee may appeal this action, including the amount and the length of time, to the Civil Service Commission according to the same rules as apply to other formal disciplinary appeals.

- 27.4 No provisions of this Article shall be subject to the grievance procedures of this Agreement. - 33.5 Notwithstanding any other provision of Section 6.9 to the contrary, the Director of a Department may announce the intent of the Department to pay employees the appropriate rate for accrued compensatory time that is not used as of a date specified by the department. This announced intent may apply to an entire department or to a specified section(s) of a department. The announcement will also specify a date by which time each affected employee must elect to either:
- 33.5.1 be paid for all accrued, unused compensatory time, OR
  - 33.5.2 be paid for all but twenty-four (24) hours of such accrued, unused compensatory time, OR
